MOTION FOR TRANSFER ON GROUNDS OF PREJUDICE

Now comes the Plaintiff, James E. Nixon, Sr., *pro se*, and respectfully moves this Honorable Court for an order that this proceeding be transferred to the United States District Court for the Middle/Western District of Pennsylvania, on the grounds that there exists in this Eastern District so great a prejudice against him that he feels that Honorable C. Darnell Jones II would hamper his Civil Suit outcome:

1. Honorable C. Darnell Jones II was this Plaintiff's Trial Judge during his criminal proceedings.
2. Honorable C. Darnell Jones II was clearly aware that this Plaintiff was trying to obtain these Court Records for over 10 years while he was still sitting in the Common Pleas Court of Philadelphia County.
3. Honorable C. Darnell Jones II allowed these Defendants, for over 10 years, to withhold these Criminal Records, so this Plaintiff couldn't file an adequate PCRA.
4. Here we are going on twenty-one (21) years, and this Plaintiff still doesn't have said records.
5. By this Court allowing this Civil Action Case to stay in the Eastern District Court, would only damage this Plaintiff's case.

For the foregoing reasons stated above, Plaintiff is asking this Court to transfer his case to either the Middle District of Pennsylvania, or to the Western District of Pennsylvania. This way he will be given a fair chance to prove his case.
